ANNOUNCING: COTTAGES AT LITTLE RIVER COVE

New Mendocino Coast Vacation Spot Combines Rural Charm and Pacific Vistas with Modern, Upscale Comforts Including Full Kitchens, Pet Perks and Concierge Service

LITTLE RIVER, Calif. (June 19, 2008) – Travelers will discover a welcome new vacation spot the next time they drive up the scenic Mendocino coast: Cottages at Little River Cove.

Comprising nine stand-alone cottages, the cozy, two-acre property is situated high on a bluff overlooking the Pacific Ocean and is perfect for travelers who desire private accommodations, modern full kitchens and baths, comfortable bedrooms and amazing ocean views. The property's location is an ideal jumping off point to the Village of Mendocino – just two miles away – and offers easy access to the area's dramatic ocean vistas, natural flora and fauna and outdoor activities ranging from kayaking and biking to quiet walks on the beach.

Each cottage boasts upscale amenities and conveniences, from the comfortable, contemporary décor – including stainless steel appliances and granite countertops in the kitchens – to plush robes and an optional grocery-order service, where guests can have personally selected staples waiting for them upon arrival. Guests can enjoy additional comforts, including in-cottage massage and spa services as well as a concierge service. Three of the cottages are designated pet friendly. The property is also a short walk from two fabulous restaurants.

The cottages sleep four people each and are reasonably priced from \$199 per night. A full, detailed listing of each cottage's amenities, configuration and more is available at: www.cottagesatlittlerivercove.com. Reservations can be made easily online or by phoning (707) 937-5339.

"We're so excited to officially open our doors and welcome guests to our property," said Samir Tuma, Proprietor of the Cottages at Little River Cove. "Anyone who's been to the area can tell you how magical it is and we've brought a little extra magic to the accommodations. The cottages really are a home away from home."
